

ENJOY THE BENEFITS OF EFFECTIVE RAKING

“The traditional raking is labor intensive process which required more time and money”

PakshiMitra is the pioneer in providing useful litter management solutions from 2017 with the primary focus on the improvement of profitability and healthy life of poultry farmers.

After rigorous testing, Team PakshiMitra has developed India's first unique raking machine - **PakshiMitra Hero**. Regular use of PakshiMitra HERO helps to improve productivity, animal welfare and environmental & litter condition in farms. We have served hundreds of poultry farmers from India and neighbouring countries.

The Made in India Product
- **Aatmanirbhar Poultry Farmer**

SAFER, STRONGER, SUPERIOR

Features & Benefits

Eco-friendly
no fuel required

Consumes less
electric power

Effective in rainy
& winter season

10000 Sq. ft. raking
in < 1 Hr
